

Mulvaney District Staff to Make Monthly Constituent Service Visits

U.S. Congressman Mick Mulvaney (SC-5) today announced that his District staff will set up “mobile offices” each month in an effort to bring the Congressional Office to 5th District residents.

“Serving the people of the 5th District is priority number one,” said Mulvaney. **“Often times, I can intervene on a person’s behalf to answer questions, find solutions, or just cut through the sea of bureaucratic red tape in the federal government. My office can help folks with Social Security, Medicare, Veterans Affairs, and more. I hope folks can make it out to the first visits, but if they can’t, they can call one of my offices directly or come out to the same place, at the same time next month.”**
